VOLUNTEER OPPORTUNITIES

Open Arms is a dynamic and growing nonprofit organization whose work is rooted in Christian values. Our mission is to create lasting, positive change by addressing the root causes of homelessness and fostering a supportive environment for those in need. Open Arms is committed to treating every individual with dignity and respect, recognizing the inherent worth and unique journey of each person.

Our programs are always growing and evolving and as such, our need for volunteer skills and talents are ever changing. In the space below, please tell us the different ways that you would like to contribute to our work at Open Arms and we will make every effort to match you to volunteer opportunities that are suitable as they become available.

Please note that all volunteers must fill out an application form and meet with a member of staff before a volunteer placement can begin. All volunteers are required to sign a confidentiality agreement and a policies and procedures agreement prior to placement within a program.
